

**EAGLE POINT INCOME COMPANY INC.
ANNOUNCES EXERCISE OF OVER-ALLOTMENT OPTION IN INITIAL
PUBLIC OFFERING**

GREENWICH, CONNECTICUT – August 2, 2019 – Eagle Point Income Company Inc. (NYSE:EIC) (the “Company”) today announced that it has completed the sale of an additional 162,114 shares of its common stock pursuant to the exercise by the underwriters of the over-allotment option granted to them in connection with its previously announced initial public offering of 1,200,000 shares of common stock, which was completed on July 26, 2019. The exercise of the over-allotment option resulted in additional net proceeds to the Company of approximately \$3.2 million. Eagle Point Income Management LLC, the Company’s investment adviser, or its affiliates paid or will pay the full amount of the sales load in connection with this initial public offering, including the over-allotment option, and all of the Company’s organizational expenses and offering expenses incurred prior to or in connection with the initial public offering that exceed \$750,000 (excluding the sales load).

The Company intends to use the proceeds from the offering of its common stock to acquire investments in accordance with its investment objectives and strategies and for general working capital purposes.

Shares of the Company’s common stock began trading on the New York Stock Exchange under the symbol “EIC” on July 24, 2019.

National Securities Corporation, a wholly owned subsidiary of National Holdings Corporation (NASDAQ: NHLD), and B. Riley FBR, Inc. acted as joint book-running managers for the offering. Wedbush Securities Inc. and Maxim Group LLC acted as co-managers for the offering.

Investors should consider the Company’s investment objectives, risks, charges and expenses carefully before investing. The final prospectus, which has been filed with the Securities and Exchange Commission (“SEC”), contains this and other information about the Company and should be read carefully before investing. The final prospectus and this press release are not offers to sell these securities and are not soliciting an offer to buy these securities in any state where such offer or sale is not permitted.

A registration statement relating to these securities is on file with and has been declared effective by the SEC.
