PROXY STATEMENT

TO BE HELD ON MAY 13, 2021**

April 6, 2021

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the “Board,” and each member, a “Director”) of the holders of the capital stock (the “Stockholders”) of Eagle Point Income Company Inc. (the “Company,” “we,” “us” or “our”) of proxies to be voted at the 2021 Annual Meeting of Stockholders (the “Meeting”) and any adjournment(s) or postponement(s) thereof. The Meeting will be held at our offices, which are located at 600 Steamboat Road, Suite 202, Greenwich, CT 06830, on Thursday, May 13, 2021 at 8:15 a.m., Eastern Time. The Notice of Annual Meeting of Stockholders (the “Notice”), this Proxy Statement and the enclosed proxy card are first being sent to Stockholders on or about April 6, 2021. A copy of the Company’s Annual Report to Stockholders for the fiscal year ended December 31, 2020 (the “Annual Report”) was previously transmitted to the Stockholders and is also available to Stockholders, without charge, upon request by writing to Courtney Fandrick, Secretary, Eagle Point Income Company Inc., 600 Steamboat Road, Suite 202, Greenwich, CT 06830, by calling (844) 810-6501 or by visiting the Company’s website at www.eaglepointincome.com.

The Board has fixed the close of business on March 31, 2021 as the record date (the “Record Date”) for the determination of Stockholders entitled to notice of, and to vote at, the Meeting. The Meeting is scheduled as a meeting of all Stockholders. As of the Record Date, 6,106,458 shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), were issued and outstanding.

Stockholders of record may vote by mail by returning a properly executed proxy card or in person by attending the Meeting. Shares of Common Stock represented by duly executed and timely delivered proxies will be voted as instructed on the proxy. **If you execute and return the enclosed proxy and no vote is indicated, your proxy will be voted “FOR” the proposal described in this Proxy Statement (as applicable).**

At any time before it has been voted, your proxy may be revoked in one of the following ways: (1) by a signed, written letter of revocation delivered on any business day before the date of the Meeting to the Secretary of the Company at 600 Steamboat Road, Suite 202, Greenwich, CT 06830, (2) by properly completing and executing a later-dated proxy and returning it in time to be received before the Meeting, or (3) by attending the Meeting and voting in person. Please call (844) 810-6501 for information on how to obtain directions to attend the Meeting and vote in person.

Purpose of Meeting

At the Meeting, holders of the outstanding shares of the Common Stock will be asked to elect two (2) Directors, Mr. Scott W. Appleby and Mr. Jeffrey L. Weiss, each to serve until the 2024 annual meeting of stockholders or until his successor is duly elected and qualifies.

Quorum

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of a majority of the Company's Common Stock entitled to vote at the Meeting will constitute a quorum. Proxies that reflect abstentions will be treated as shares present for quorum purposes. In addition, shares held of record by brokers or nominees as to which voting instructions have not been received from the beneficial owners or the persons entitled to vote, and the broker or nominee does not otherwise have discretionary power to vote on non-routine matters, will be entitled to vote at the Meeting and will be treated as shares present for quorum purposes.

If a quorum is not present at the Meeting, the presiding officer shall have power to adjourn the Meeting from time to time, without notice other than announcement at the Meeting, until a quorum shall be present or represented. At such adjourned Meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the Meeting as originally noticed. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned Meeting, a notice of the adjourned Meeting shall be given to each Stockholder entitled to vote at the Meeting.

Vote Required

The Stockholders of record on the Record Date will be entitled to one vote per share on each matter to which they are entitled to vote and that is to be voted on by Stockholders, and a fractional vote with respect to fractional shares, with no cumulative voting rights in the election of Directors. Votes cast by proxy or in person at the Meeting will be counted by the Company's proxy tabulation firm.

The election of a Director requires the affirmative vote of a plurality of the votes cast at the Meeting in person or by proxy. Therefore, a plurality of the votes cast at the Meeting by Stockholders must be "FOR" the election of each of Mr. Appleby and Mr. Weiss for him to be re-elected as a Director.

If you vote "Withhold" with respect to a nominee, your shares will not be voted with respect to the person indicated. Such abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on the election. If you execute and return the enclosed proxy and no vote is indicated, your proxy will be voted "FOR" the proposal described in this Proxy Statement (as applicable).

Adjournment

The Meeting may be adjourned for such periods as the presiding officer of the Meeting or the stockholders present in person or by proxy and entitled to vote shall direct.

Additional Information

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice and the enclosed proxy card. The Company intends to use the services of American Stock Transfer & Trust Company, LLC, its transfer agent, and Broadridge Financial Solutions, Inc., a provider of investor communications solutions,

to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. We have requested that brokers, nominees, fiduciaries and other persons holding shares of Common Stock in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing. In addition, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by Directors or officers of the Company, officers or employees of Eagle Point Income Management LLC, our investment adviser (the "Adviser"), Eagle Point Administration LLC, our administrator (the "Administrator"), and/or by a retained solicitor. No additional compensation will be paid to such Directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it would pay approximately \$10,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares, but will only ask that you take the time to cast a vote. If engaged, the solicitor may also ask if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm.

As of the date of this Proxy Statement, the Board, the Company's officers and the Adviser know of no business to come before the Meeting other than as set forth in the Notice. If any other business is properly brought before the Meeting, the persons named as proxies will vote in their sole discretion.

PROPOSAL: ELECTION OF DIRECTORS

The Board is currently comprised of six (6) Directors, four (4) of whom are not “interested persons” (as defined in the Investment Company Act of 1940, as amended (the “1940 Act”)) of the Company, and meet the independence requirements of Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and the New York Stock Exchange listing rules (the “Independent Directors”). The Board is divided into three classes with the term of only one class expiring at each annual meeting. Classes I, II and III are each comprised of two (2) Directors.

The Nominating Committee (the “Nominating Committee”) of the Company and the Board have recommended Mr. Appleby and Mr. Weiss for re-election as Class I Directors by the Stockholders. Accordingly, at the Meeting, the holders of Common Stock are being asked to re-elect each of Messrs. Appleby and Weiss as Class I Directors, each to serve until the 2024 annual meeting of stockholders or until his respective successor is duly elected and qualifies.

Messrs. Appleby and Weiss are currently serving as Class I Directors and have agreed to continue to serve as Class I Directors, if re-elected. If either Mr. Appleby or Mr. Weiss is not available for re-election at the time of the Meeting, the persons named as proxies will vote for such substitute nominee(s) as the Nominating Committee and the Board may select. The Board has no reason to believe that either Mr. Appleby or Mr. Weiss will be unable or unwilling to serve.

A Stockholder can vote “for,” or “withhold” its vote with respect to, any nominee. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy “FOR” the election of each nominee.**

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE RE-ELECTION OF EACH NOMINEE.

Information about the Board

The business of the Company is managed under the direction of the Board. Subject to the provisions of the Company’s certificate of incorporation, its bylaws and applicable state law, the Directors have all powers necessary and convenient to carry out this responsibility, including the election and removal of the Company’s officers. The Board is divided into three classes, with the term of only one class expiring at each annual meeting of the stockholders.

Class I Directors. Mr. Scott W. Appleby and Mr. Jeffrey L. Weiss are currently serving as Class I Directors. Messrs. Appleby and Weiss were elected to serve as Directors on October 1, 2018 by the sole member of the Company with an initial term expiring at the Meeting. Messrs. Appleby and Weiss will continue to serve as Class I Directors if re-elected at the Meeting.

Class II Directors. Mr. James R. Matthews and Mr. Paul E. Tramontano are currently serving as Class II Directors. Messrs. Matthews and Tramontano were most recently elected to serve as Directors at the 2019 annual meeting of stockholders. Their term expires at the 2022 annual meeting of stockholders.

Class III Directors. Mr. Thomas P. Majewski and Mr. Kevin F. McDonald are currently serving as Class III Directors. Messrs. Majewski and McDonald were most recently elected to serve as Directors at the 2020 annual meeting of stockholders. Their term expires at the 2023 annual meeting of stockholders.

Board Leadership Structure. Currently, the Board consists of six (6) Directors, four (4) of whom are Independent Directors and two (2) of whom are “interested persons” as defined in the 1940 Act. Each Independent Director also meets the definition of “independent director” in the corporate governance standards of the New York Stock Exchange as applicable to closed-end management investment companies. Messrs. Appleby, McDonald, Tramontano and Weiss qualify as Independent Directors. Mr. Majewski, who serves as our Chairperson (the “Chairperson”) and Chief Executive Officer, and Mr. Matthews are interested persons of the Company. The Chairperson presides at meetings of the Directors and may call meetings of the Board and any Board committee whenever he deems necessary. The Chairperson participates in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairperson also generally acts as a liaison with our management, officers and attorneys and other Directors between meetings. The Chairperson may perform such other functions as may be requested by the Board from time to time. Except for any duties specified pursuant to our certificate of incorporation or bylaws, or as assigned by the Board, the designation of a Director as Chairperson does not impose on that Director any duties, obligations or liability that are greater than the duties, obligations or liability imposed on any other Director, generally.

The Board has designated Mr. Weiss as “Lead Independent Director.” The Lead Independent Director generally acts as a liaison between the other Independent Directors and our management, officers and attorneys between Board meetings. The Lead Independent Director may perform such other functions as may be requested by the Board from time to time. Except for any duties specified pursuant to our certificate of incorporation or bylaws, or as assigned by the Board, the designation of a Director as Lead Independent Director does not impose on that Director any duties, obligations or liability that are greater than the duties, obligations or liability imposed on any other Director, generally.

The Board has established two standing committees to facilitate oversight of the management of the Company: the Audit Committee and the Nominating Committee. The functions and roles of each committee are described below under the section “**Board Committees and Meetings.**” The membership of each committee consists of all of the Independent Directors, which the Board believes allows them to participate in the full range of the Board’s oversight duties.

The Board reviews its leadership structure periodically, and the Board believes that the current leadership structure is appropriate because it allows the Board to exercise informed judgment over matters under its purview, and it allocates areas of responsibility among committees or working groups of Directors and the full Board in a manner that enhances effective oversight. The Board also believes that having a majority of Independent Directors is appropriate and in the best interest of the Stockholders. Nevertheless, the Board also believes that having interested persons serve on the Board brings corporate and financial viewpoints that are, in the Board’s view, crucial elements in its decision-making process. In addition, the Board believes that Mr. Majewski, Managing Partner of the Adviser, provides the Board with the Adviser’s perspective in managing and sponsoring us. The leadership structure of the Board may be changed, at any time and in the discretion of the Board, including in response to changes in circumstances or our characteristics.

Risk Oversight. As a registered investment company, we are subject to a variety of risks, including investment risks, financial risks, compliance risks and operational risks. As part of its overall activities, the Board oversees the management of our risk management structure by various departments of the Adviser and the Administrator, as well as by our Chief Compliance Officer (“CCO”). The responsibility to manage our risk management structure on a day-to-day basis is subsumed within the Adviser’s overall investment management responsibilities. The Adviser has its own, independent interest in risk management.

The Board recognizes that it is not possible to identify all of the risks that may affect us or to develop processes and controls to eliminate or mitigate their occurrence or effects. The Board discharges risk oversight as part of its overall activities. In addressing issues regarding our risk management between meetings, appropriate representatives of the Adviser communicate with the Chairperson, the relevant committee chair or our CCO, who is directly accountable to the Board. As appropriate, the Chairperson and the committee chairs confer among themselves, with our CCO, the Adviser, other service providers and external fund counsel to identify and review risk management issues that may be placed on the full Board's agenda and/or that of an appropriate committee for review and discussion with management. With respect to the COVID-19 pandemic, the Board has been actively engaged with management in responding to and monitoring the impacts of the evolving COVID-19 pandemic. The Adviser and management is in regular communication with the Board about the assessment and management of the significant risks to the Company and strategy decisions related to the impact of COVID-19 on our business.

When considering potential nominees to fill vacancies on the Board, and as part of its annual self-evaluation, the Board reviews the mix of skills and other relevant experiences of the Directors.

In respect of each current Director, the individual’s substantial professional accomplishments and prior experience, including, in some cases, in fields related to the operations of the Company, were a significant factor in the determination by the Board that the individual is qualified to serve as a Director. The following is a summary of various qualifications, experiences and skills of each Director (in addition to business experience during the past five years set forth in the table above) that contributed to the Board’s conclusion that an individual is qualified to serve on the Board. Board Committees and Meetings

The Board has established two standing committees to facilitate oversight of the management of the Company: the Audit Committee and the Nominating Committee.

Audit Committee. The members of the Audit Committee are Messrs. Appleby, McDonald, Tramontano and Weiss, each of whom is an Independent Director. Each member of the Audit Committee is financially literate with at least one having accounting or financial management expertise. The Board has adopted a written charter for the Audit Committee. The Audit Committee recommends to the full Board the independent registered public accounting firm for us, oversees the work of the independent registered public accounting firm in connection with the Company’s audit, communicates with the independent registered public accounting firm on a regular basis and provides a forum for the independent registered public accounting firm to report and discuss any matters it deems appropriate at any time. The Audit Committee is also responsible for establishing guidelines and making recommendations to the Board regarding the valuation of the Company’s investments, which are considered when the Board determines, within the meaning of the 1940 Act, the value of the Company’s investments. The Audit Committee also functions as the qualified legal compliance committee of the Company and is responsible for the confidential receipt, retention and consideration of any report of evidence of (i) a material violation of applicable federal or state securities law, (ii) a material breach of fiduciary duty arising under federal or state law or (iii) a similar material violation of any federal or state law by the Company or any officer, director, employee or agent of the Company that has occurred, is ongoing or is about to occur. Mr. Weiss currently serves as chair of the Audit Committee. A copy of the Audit Committee Charter is available on the Company’s website (www.eaglepointincome.com).

Nominating Committee. The members of the Nominating Committee are Messrs. Appleby, McDonald, Tramontano and Weiss, each of whom is an Independent Director. The Board has adopted a written charter for the Nominating Committee. The Nominating Committee periodically reviews the committee structure, oversees the conduct of an annual self-assessment of the Board and its committees and makes the final selection and nomination of candidates to serve as Independent Directors. In addition, the Nominating Committee makes recommendations regarding the compensation of the Company’s Independent Directors for approval by the Board as there is no separate compensation committee of the Company. The Board nominates and selects the interested Directors and the officers. Mr. Appleby serves

as chair of the Nominating Committee. A copy of the Nominating Committee Charter is available on the Company's website (www.eaglepointincome.com).

In reviewing a potential nominee and in evaluating the re-nomination of current Independent Directors, the Nominating Committee will generally apply the following criteria: (1) the nominee's reputation for integrity, honesty and adherence to high ethical standards; (2) the nominee's business acumen, experience and ability to exercise sound judgment; (3) a commitment to understand the Company and the responsibilities of a director of an investment company; (4) a commitment to regularly attend and participate in meetings of the Board and its committees; (5) the ability to understand potential conflicts of interest involving management of the Company and to act in the interests of all Stockholders; and (6) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all Stockholders and to fulfill the responsibilities of an Independent Director. The Nominating Committee does not necessarily place the same emphasis on each criteria and each nominee may not have each of these qualities.

As long as an existing Independent Director continues, in the opinion of the Nominating Committee, to satisfy these criteria, we anticipate that the Nominating Committee would favor the re-nomination of an existing Independent Director rather than nominate a new candidate. Consequently, while the Nominating Committee will consider nominees recommended by Stockholders to serve as Independent Directors, the Nominating Committee may only act upon such recommendations if there is a vacancy on the Board or a committee and it determines that the selection of a new or additional Independent Director is in the Company's best interests. In the event that a vacancy arises or a change in membership is determined to be advisable, the Nominating Committee will, in addition to any Stockholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Nominating Committee. The Nominating Committee may retain a consultant to assist it in a search for a qualified candidate.

The Nominating Committee has not adopted a formal policy with regard to the consideration of diversity in identifying individuals for election as Independent Directors, but the Nominating Committee will consider such factors as it may deem are in the best interests of the Company and the Stockholders. Such factors may include the individual's professional experience, education, skills and other individual qualities or attributes, including gender, race or national origin.

Consideration of Candidates Recommended by Stockholders. The Nominating Committee will review and consider nominees recommended by Stockholders to serve as Independent Directors, provided that the recommending Stockholder follows the procedures for Stockholders to submit nominee candidates as set forth in the Company's bylaws and Nominating Committee's charter, and summarized here.

For any Stockholder recommendation for Independent Director to be included in the Company's proxy statement, it must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Exchange Act to be considered by the Nominating Committee. In evaluating a nominee recommended by a Stockholder, the Nominating Committee, in addition to the criteria discussed above, may consider the objectives of the Stockholder in submitting that nomination and whether such objectives are consistent with the interests of all Stockholders. If the Board determines to include a Stockholder's candidate among the slate of nominees, the candidate's name will be placed on the Company's proxy card. If the Nominating Committee or the Board determines not to include such candidate among the Board's designated nominees and the Stockholder has satisfied the requirements of Rule 14a-8, the Stockholder's candidate will be treated as a nominee of the Stockholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the Company's proxy statement.

A Stockholder who is entitled to vote at the applicable annual meeting and who intends to nominate a director must comply with the advance notice procedures of the Company's bylaws. To be timely, the Stockholder's notice must be delivered by a nationally recognized courier service or mailed by first class United States mail, postage or delivery charges prepaid, and received at the principal executive offices of the Company addressed to the attention of the Secretary not less than ninety (90) days nor more than one hundred twenty (120) days in advance of the anniversary of the date the Company's proxy statement was released to the Stockholders in connection with the previous year's annual meeting of Stockholders; provided, however, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the Stockholder must be received by the Secretary not later than the close of business on the later of (x) the ninetieth (90th) day prior to such annual meeting and (y) the seventh (7th) day following the day on which public announcement of the date of such meeting is first made. Such Stockholder's notice to the Secretary shall set forth (i) as to each person whom the Stockholder proposes to nominate for election or reelection as a Director, (a) the name, age, business address and residence address of the person, (b) the principal occupation or employment of the person, (c) the class and number of shares of capital stock of the Company that are beneficially owned by the person and (d) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of Directors pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC") under Section 14 of the Exchange Act, and (ii) as to the Stockholder giving the notice (a) the name and record address of the Stockholder and (b) the class and number of shares of capital stock of the Company that are beneficially owned by the Stockholder. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a Director. No person nominated by a Stockholder as an Independent Director shall be eligible for election as a Director unless nominated in accordance with the procedures set forth herein. An officer of the Company presiding at an annual meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he or she should so determine, he or she shall so declare to the meeting and the defective nomination shall be disregarded.

Meetings. The Board meets regularly, at least four times each year, to discuss and consider matters concerning the Company, and also holds special meetings to address matters arising between regular meetings. The Independent Directors regularly meet outside the presence of management. During the fiscal year ended December 31, 2020, the Board held four regular meetings and three special meetings. The Audit Committee met in separate session four times and the Nominating Committee met in separate session three times. Each Director attended 75% or more of the aggregate number of meetings of the Board and the committees on which such Director served and that were held during the fiscal year ended December 31, 2020.

The Directors are not required to attend the Company's annual meetings of stockholders but are encouraged to do so. All six (6) Directors attended the 2020 annual meeting of stockholders.

ADDITIONAL INFORMATION

Stockholder Communications with the Board

Stockholders may communicate with the Directors as a group or individually. Stockholder communications must (1) be in writing and be signed by the Stockholder and (2) identify the class and number of shares of Common Stock held by the Stockholder. The Secretary shall either (1) provide a copy of each properly submitted Stockholder communication to the Board at its next regularly scheduled meeting or (2) forward the communication to the Director(s) promptly after receipt if the Secretary determines that the communication requires more immediate attention. The Secretary may, in good faith, determine that a Stockholder communication should not be provided to the Board or Director(s) because it does not reasonably relate to the Company or its operations, management, activities, policies, service providers, Board, officers, Stockholders or other matters relating to an investment in the Company or otherwise is routine or ministerial in nature.

These procedures do not apply to (1) any communication from a Director or an officer of the Company, (2) any communication from an employee or agent of the Company, unless such communication is made solely in such employee's or agent's capacity as a Stockholder, or (3) any Stockholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act or any communication made in connection with such a proposal. The Directors are not required to make themselves available to Stockholders for communications, other than by the aforementioned procedures.

The Adviser, located at 600 Steamboat Road, Suite 202, Greenwich, CT 06830, manages the Company’s investments, subject to the supervision of the Board, pursuant to an investment advisory agreement (the “Advisory Agreement”) between us and the Adviser, dated October 5, 2018. The Adviser is registered as an investment adviser with the SEC. The Adviser is an affiliate of Eagle Point Credit

Management which, collectively with the Adviser as of December 31, 2020, had approximately \$4.1 billion in total assets under management for investment, including capital commitments that were undrawn as of such date. The Adviser was established in September 2018 and Eagle Point Credit Management LLC was established in 2012. The Adviser is primarily owned by the Trident V Funds through intermediary holding companies. Additionally, an affiliate of Enstar Group Limited currently also indirectly owns a portion of the limited liability company interests in the Adviser. In addition, members of the Adviser's senior investment team hold indirect ownership interests in the Adviser. The Adviser is ultimately governed through intermediary holding companies by a board of managers (the "Adviser's Board of Managers"), which includes Mr. Majewski and certain principals of Stone Point. The Adviser's Board of Managers is also responsible for governance and oversight of certain affiliates of the Adviser, including Eagle Point Credit Management.

We pay the Adviser a management fee for its services under the Advisory Agreement. The management fee equals an annual rate of 1.25% of our Managed Assets and is calculated monthly based on our Managed Assets at the end of each calendar month and payable quarterly in arrears. "Managed Assets" means our total assets (including assets attributable to our use of leverage) minus the sum of our accrued liabilities (other than liabilities incurred for the purpose of creating leverage). For the fiscal year ended December 31, 2020, the Adviser earned management fees under the Advisory Agreement of \$1,280,466.

Payments under the Administration Agreement are equal to an amount based upon our allocable portion of the Administrator's overhead in performing its obligations under the Administration Agreement, including rent, the fees and expenses associated with performing compliance functions and our allocable portion of the compensation of our chief financial officer, chief operating officer and CCO and our allocable portion of the compensation of any of their support staff. To the extent the Administrator outsources any of its functions, we pay the fees on a direct basis, without profit to the Administrator. Expenses and fees incurred pursuant to the Administration Agreement and payable to the Administrator for the fiscal year ended December 31, 2020 totaled \$340,411.

Independent Registered Public Accounting Firm

The Audit Committee and the Board unanimously selected KPMG as the independent registered public accounting firm for the Company at a Board meeting held on February 10, 2021. KPMG has served as the independent registered public accounting firm of the Company since the Company's inception. KPMG is located at 345 Park Avenue, New York, NY 10154. The Company is not aware of any direct financial or material indirect financial interest of KPMG in the Company. A representative of KPMG will be present at the Meeting via telephone to respond to appropriate questions from Stockholders and will have an opportunity to make a statement if he or she chooses to do so.

Audit Committee Pre-approval Policies and Procedures. The Audit Committee has adopted written policies relating to the pre-approval of audit and permitted non-audit services to be performed by the Company's independent registered public accounting firm. Under the policies, on an annual basis, the Audit

Committee reviews and pre-approves proposed audit and permitted non-audit services to be performed by the independent registered public accounting firm on behalf of the Company.

In addition, the Audit Committee pre-approves annually any permitted non-audit services (including audit-related services) to be provided by the independent registered public accounting firm to the Adviser and any entity controlling, controlled by, or under common control with the Adviser that provides ongoing services to the Company (together, the “Service Affiliates”), provided, in each case, that the engagement relates directly to the operations and financial reporting of the Company. Although the Audit Committee does not pre-approve all services provided by the independent registered public accounting firm to the Service Affiliates (for instance, if the engagement does not relate directly to the operations and financial reporting of the Company), the Audit Committee receives an annual report showing the aggregate fees paid by the Service Affiliates for such services.

The Audit Committee may also from time to time pre-approve individual non-audit services to be provided to the Company or a Service Affiliate that were not pre-approved as part of the annual process described above. The Audit Committee may form and delegate authority to subcommittees consisting of one (1) or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that any decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

The pre-approval policies provide for waivers of the requirement that the Audit Committee pre-approve non-audit services provided to the Company pursuant to de minimis exceptions described in Section 10A of the Exchange Act and applicable regulations.

Audit Fees. The aggregate fees billed for professional services rendered by KPMG LLP (“KPMG”), the registrant’s independent registered public accounting firm, for the audit of the registrant’s annual financial statements or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for the fiscal years ended December 31, 2019 and December 31, 2020 were \$124,800 and \$135,500, respectively.

Audit-Related Fees. The aggregate fees billed for assurance and related services by KPMG that are reasonably related to the performance of the audit of the registrant’s financial statements and not reported in “Audit Fees” above of this Item 4 in the fiscal years ended December 31, 2019 and December 31, 2020 were \$184,000 and \$86,250, respectively. These fees include audit-related services in connection with the registrant’s “at the market” common stock issuance program and the filing of its shelf registration statements during the period. The Adviser or its affiliates have paid all audit-related fees of the registrant prior to or in connection with the registrant’s initial offering of common stock.

Tax Fees. The aggregate fees billed for professional services by KPMG for tax compliance, tax advice and tax planning in the fiscal years ended December 31, 2019 and December 31, 2020 were \$27,500 and \$30,590, respectively. These fees were in connection with the preparation of the registrant’s regulated investment company tax compliance and related tax advice.

All Other Fees. The aggregate fees billed for all other services not listed in “Audit Fees”, “Audit-Related Fees” and “Tax Fees” above by KPMG in the fiscal years ended December 31, 2019 and December 31, 2020 were \$0 and \$0, respectively.

During the fiscal years ended December 31, 2019 and 2020, all of KPMG’s expenses were pre-approved by the Audit Committee.

Aggregate Non-Audit Fees. The aggregate non-audit fees billed by KPMG during the fiscal years ended December 31, 2019 and 2020, for services rendered to the Company and the Service Affiliates, are shown in the table below:

Fiscal Year Ended	Aggregate Non-Audit Fees for Company	Aggregate Non-Audit Fees for Service Affiliates	Aggregate Non-Audit Fees
December 31, 2019	\$211,500	\$0	\$211,500
December 31, 2020	\$116,840	\$0	\$116,840

The Audit Committee has considered whether the provision of non-audit services that were rendered to the Service Affiliates that were not required to be pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining KPMG's independence.

Report of the Audit Committee

The Audit Committee (the “Audit Committee”) of the Company oversees the Company’s accounting and financial reporting processes and the audits of the Company’s financial statements. The Company’s management is responsible for the preparation, presentation and integrity of the Company’s financial statements, the Company’s accounting and financial and reporting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Company’s Annual Report for the fiscal year ended December 31, 2020 (the “Annual Report”) with management and discussed the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

In the performance of its oversight function, the Audit Committee has reviewed and discussed the above described December 31, 2020 audited financial statements with management and with KPMG LLP (“KPMG”), the Company’s independent registered public accounting firm. The Audit Committee has also discussed with KPMG the matters required to be discussed by Auditing Standard 1301 (Communications with Audit Committees), as adopted by the Public Company Accounting Oversight Board (“PCAOB”). The Audit Committee reviewed with KPMG, who is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgment as to the quality, not just the acceptability, of the Company’s accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. Finally, the Audit Committee has reviewed the written disclosures and the letters from KPMG required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, as currently in effect, has considered whether the provision of other non-audit services by KPMG to the Company are compatible with maintaining KPMG’s independence, and has discussed with KPMG the independence of the independent registered public accounting firm.

The Audit Committee discussed with KPMG the overall scope and plans for the audit. The Audit Committee met with KPMG to discuss the results of their audit, their evaluations of the Company’s internal controls and the overall quality of the Company’s financial reporting.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to in the proxy statement for the 2021 annual meeting of stockholders filed with the Securities and Exchange Commission (the “SEC”) on April 6, 2021 and in the Audit Committee’s charter, the Audit Committee recommended to the board of directors (the “Board”) of the Company (and the Board has approved) that the Company’s audited financial statements be included in the Annual Report as filed with the SEC.

Stockholders are reminded, however, that the members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and KPMG. Accordingly, the Audit Committee’s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions, referred to above, do not assure that the audit of the Company’s financial statements has been carried out in accordance with the standards of the PCAOB, that the financial statements are presented in conformity with accounting principles generally accepted in the United States of America or that the Company’s independent registered public accounting firm is, in fact, “independent.”

Stockholder Proposals for the Annual Meeting for the 2022 Fiscal Year

It is currently anticipated that the Company's next annual meeting of Stockholders after the Meeting will be held in May 2022. Proposals of Stockholders intended to be presented at that annual meeting of the Company must be received by the Company no earlier than December 7, 2021 and no later than January 6, 2022 for inclusion in the Company's proxy statement and proxy cards relating to that meeting. The submission by a Stockholder of a proposal for inclusion in the proxy materials does not guarantee that it will be included. Stockholder proposals are subject to certain requirements under the federal securities laws. To the extent the Company wishes to exclude a proposal, potential exclusion will be analyzed based upon both the procedural and substantive bases for exclusion set forth in Rule 14a-8 under the Exchange Act.

Stockholders submitting any other proposals (including proposals to elect Director nominees) for the Company intended to be presented at the annual meeting for the 2022 fiscal year (i.e., other than those to be included in the Company's proxy materials) must ensure that such proposals are received by the Company, in good order and complying with all applicable legal requirements and requirements set forth in the Company's bylaws. The Company's bylaws provide that any such proposal must be addressed to the attention of the Secretary and received in writing by the Company not less than ninety (90) days nor more than one hundred twenty (120) days in advance of the anniversary of the date the Company's proxy statement was released to the Stockholders in connection with the previous year's annual meeting of Stockholders; provided, however, that in the event that no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than thirty (30) days from the date contemplated at the time of the previous year's proxy statement, notice by the Stockholder must be received by the Secretary not later than the close of business on the later of (x) the ninetieth (90th) day prior to such annual meeting and (y) the seventh (7th) day following the day on which public announcement of the date of such meeting is first made. A Stockholder's notice to the Secretary shall set forth (i) as to each matter the Stockholder proposes to bring before the annual meeting (a) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting and (b) any material interest of the Stockholder in such business, and (ii) as to the Stockholder giving the notice (a) the name and record address of the Stockholder and (b) the class, series and number of shares of capital stock of the Company which are beneficially owned by the Stockholder.

Assuming the next annual meeting is ultimately scheduled to be within 30 days of the May 13th anniversary of the Meeting, such proposals must be received no earlier than December 7, 2021 and no later than January 6, 2022. Stockholder proposals should be addressed to the attention of Courtney Fandrick, Secretary, Eagle Point Income Company Inc., 600 Steamboat Road, Suite 202, Greenwich, CT 06830.

If a Stockholder who wishes to present a proposal fails to notify the Company as set forth above for inclusion of a proposal the Company's proxy statement, the proxies solicited for the meeting will be voted on the Stockholder's proposal, if it is properly brought before the meeting, in accordance with the judgment

of the persons named in the enclosed proxy card(s). If a Stockholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.
